Lifetime Achievement Award Winner 2008

Tom O'Neal and Ron Fabis

The Lifetime Achievement award is presented to an individual who has distinguished herself or himself through outstanding contributions to further or enhance the present well-being or future well-being of the English Toy Spaniel breed and the English Toy Spaniel Club of America.

This award will recognize dedication, advocacy, accomplishment, and long-term involvement in the English Toy Spaniel breed, along with outstanding contribution to the ETSCA and the sport of pure-bred dogs on the local, national, and global levels.

Nominees are selected by a jury of peers. Nominations for this prestigious award are accepted annually and presentation of the Lifetime Achievement Award occurs during the National Specialty.

The Lifetime Achievement Award is the most prestigious award and highest level of honor that the English Toy Spaniel Club of America can bestow upon an individual member.

- These individuals, in one capacity or another, have served the club from its revival in the 70's to the present day.
- These individuals have always made their breeding stock available to others and as a result their line is the foundation of many of our most successful kennels.
- They always welcomed newcomers to the breed and often went as far as grooming the competition even when it meant they might lesson their own chances of winning.
- Their very distinctive line can boast Group winners in every color and the breeds top producing sire.

Breeders Title Sweepstakes

The ETSCA is establishing a recognition program for ETSCA members who are breeders or co-breeders of dogs that have completed and been awarded AKC conformation, obedience, and performance titles. To qualify for the Breeders Title Sweepstakes, dogs must have been awarded their title within the preceding calendar year (January to December) and breeders of the dogs must be ETSCA members. Performance dogs will get one point per title earned. The winner and all members who are breeders of at least two titled dogs will be officially recognized during the ETSCA National Specialty Weekend.

The outright winner will be awarded to the breeder who has the most dogs solely bred by that individual.

Point system: 1 point per title of dog bred
