This is a rotating gallery of candid photos of our lovely dogs doing all the things we love them for doing. Submit photos of your own dogs to be considered to theresacousins@yahoo.com. We would like action photos or photos of just hanging out, but please no humans allowed and no show photos. Send us your most amazing and adorable photos!

ACCOLADES

This year at Westminster our breed was represented in the Breed booth area by members Patricia Cox, Julie Whaley, Judith Swanson, and Maria Morozova. They educated countless people about the joys of our special breed and received the award for 2nd place booth in the toy group. It is really a proud moment to have our dogs so well represented and to have two new members jump in is fantastic!

Another proud accomplishment for our club is the number of members participating in performance sports. We had a

record number of eight dogs with performance titles with nine different owners. These range from trick titles and agility titles to scent work titles and therapy dog titles. We are especially proud of our breed’s very first Scent work Novice dog as well as our first Therapy dog Advanced and Therapy dog Excellent. Here is a list of all of our title earners and their owners: Ch. Caledonia’s Mr. Bingley NA NAJ THDA CGCA TKI- Owner Denise Fitzgerald
