Lifetime Achievement Award Winner 2016

The Lifetime Achievement award is presented to an individual who has distinguished herself or himself through outstanding contributions to further or enhance the present well-being or future well-being of the English Toy Spaniel breed and the English Toy Spaniel Club of America.

This award will recognize dedication, advocacy, accomplishment, and long-term involvement in the English Toy Spaniel breed, along with outstanding contribution to the ETSCA and the sport of pure-bred dogs on the local, national, and global levels.

Nominees are selected by a jury of peers. Nominations for this prestigious award are accepted annually and presentation of the Lifetime Achievement Award occurs during the National Specialty.

The Lifetime Achievement Award is the most prestigious award and highest level of honor that the English Toy Spaniel Club of America can bestow upon an individual member.

This individual has been a member of the ETSCA for almost three decades. While showing and winning have been fun, improving the health of the breed has been ever more important. By partnering with other club members, and importing “new blood” into breeding programs very early on they were able to help minimize a multitude of different health issues.

Over the years, this individual has also fought to increase recognition of the breed by crafting and conducting educational seminars for potential judges and interested exhibitors. Additionally, at no expense to the club, has served as the AKC delegate representing the ETSCA.

Like the rest of us, this individual has a competitive spirit and enjoys a good win. The list includes many champions, top winning dogs in both varieties, and BIS/BISS Winners but they feel the ultimate win is seeing a healthy English toy in the ring, in a good home, or on a loving lap.

Like other officers in the ETSCA, our Lifetime Achievement winner has a full time job and all the stresses that come with that but still has made time to serve as president for over 10 years and vice president for many years before that. Please help me congratulate our 2016 Lifetime Achievement Award Winner, Mr. Bruce Van Deman.

Exhibitor Of The Year Award

The ETSCA has established a recognition program for ETSCA members who are owners or co-owners of dogs that have completed and been awarded AKC conformation, obedience, and performance titles. To qualify for Exhibitor of the Year Award, dogs must have been awarded their title within the preceding calendar year (January to December) and owners/ co-owners must be ETSCA members in good standing for the full calendar year of the award cycle. Owners will receive one point per AKC title earned within the calendar year. Award points will be tabulated based on the recorded ownership status of the dog at the time that the title was awarded within the calendar year. In the event of a tie in the number of titles, the outright winner will be the member who has solely owned the most titled dogs within the calendar period.

The winner and all members who are owners of at least two titled dogs will be officially recognized during the ETSCA National Specialty.
